

Operation Good Deed Doer
Secret Service Mission 016

Come Together with Care Mail

Come Together with Care Mail is the perfect kindness centered activity turned party favor for a class or group! Kids share kind words with one another to create *Care Mail*. Perfect for Christmas or Valentine's Day!

WHAT YOU NEED:

- ✓ Printer
- ✓ Paper
- ✓ Envelopes, mini tin mailbox, or other small gift container.

Optional

- ✓ Manila envelopes
- ✓ Square labels

OR get official Operation Good Deed Doer, Secret Service Missions from Come Together with Kindness!

DIRECTIONS:

- Print one *Mission 016 Come Together with Care Mail* for each student.
- Fill in the *Come Together with Care Mail List Template* to create a list of every child in your group.
Tip: It's fun to include the adult leader(s) or teacher(s) on the list, too.
Care Mail makes a great gift!
- Print completed *Come Together with Care Mail List* that includes every child's name. Make one copy for each child.
Tip: Print the *List* on an assortment of colored paper to make it more fun and festive!
- Place *Mission 016* and a *List* in each Mission envelope and seal.
- Hand out Mission envelopes to the class/group.
- Explain the project while the kids open their Missions.
- Direct kids to fill in kind words and compliment each child on the *List* until one compliment or set of kind words is written for every child.
Tip: Have the kids do this each day before class or during down time over the course of a week or whatever time period you choose.
- Set a deadline for completion and collect all *Lists*.
- Cut and sort compliments by child.
- Place the compliments for each child in their a mini mailbox, envelope or other container.
- Hand out Care Mail to kids during a party or any designated time.
- Watch their faces as they excitedly read through all their Care Mail!
- Optional Activity: Have kids share their favorite compliment or set of kind words and how the compliment/words made them feel. OR Have kids share their favorite part of the activity and how it made them feel.

THINGS TO CONSIDER:

- ✓ Determine how many days you have to complete the project.
For example, if you meet five days a week, have 15 days before you wish to give your completed Care Mail and there are 30 kids in your group, make sure the kids write kind words for at least three kids each day.
- ✓ Allow yourself time to cut, sort and place compliments in individual envelopes or mailboxes prior to giving day! A class of 20 takes about an hour.
- ✓ Label the envelopes, mailboxes or other container with a marker or gift tag so every child gets the kind words intended for him/her.
TIP: If using tin mailboxes, seal the mailbox lids with tape or a sticker to ensure lids stay sealed.
- ✓ If you want to stamp your envelopes, “Top Secret” and don’t have a stamp, print it on labels!

Our *Come Together with Care Mail* activity including mailboxes, certificates, badge, button and ink pen!

Stuffing Care Mailboxes for his class!

Drew's Care Mail! He reads it every year when we get out our Christmas decorations!

Operation Good Deed Doer
Mission 016
Come Together with Care Mail
>>>NOTICE: These orders may self-destruct!

Everyone has feelings.
Everyone has a heart.
Want to make others smile?
This is a wonderful place to start!

You can make someone have happy feelings
and really warm their heart
by saying something kind.
It's time to do your part!

As you write kind words to share,
how quickly will you see,
that saying something nice
is as easy as can be!

What makes a person special?
What do they do best?
Just exactly what is it
that sets them apart from all the rest?

As you get the hang of it,
you are sure to find,
that there is no better feeling
than the way you feel when you are kind!

If sharing kindness
can make YOU feel this way,
then imagine how someone else will feel
when they read the positive things you have to say!

What a special gift
you are about to create!
It's time to get started!
We can hardly wait!

Mission Orders>>>>

Share kinds words.
Have Fun!

Over and out!
